Dear Mr. Entico,

This refers to your request for exemption for the permitting requirement of Philippine Clean Water Act (PCWA) of 2004.

At present, operation of your facility involve only crushing of Busted Fluorescent Lamp (BFL) and dismantling and storage of electronic wastes.

Based on the evaluation of your present process, your TSD facility does not generate wastewater. As such, your request for exemption for permitting requirement of PCWA is hereby granted.

Please be guided accordingly.
