The above-named transporter shall comply with all applicable provisions of R.A. 6969 and its implementing rules and regulations.

This is not a permit to transport. A permit to transport must be secured from the proper Regional Office of this Bureau prior to any transport of hazardous wastes from the generator thereof to an authorized treatment, storage and disposal (TSD) facility.

The duly notarized manifest form attached with pictures of the actual loading and unloading of hazardous wastes, shall be submitted to the concerned Regional Office copy furnished this Office within seven (7) days of each completed transport.

The conveyance(s) transporting hazardous wastes including vessels, containers and tanks shall be properly labeled and shall contain the symbols as required in Chapter 6 Section 6.3 of DAO 2013-22.

The transporter shall ensure that all its personnel directly involved in the handling of hazardous wastes have received adequate training and provided with the appropriate Personnel Protective Equipment (PPE).

Protect the environment... Protect life.
